The USB 3.0 Speed Evolution: Super High Transfer Efficiency

SP devotes itself developing USB 3.0 products in line with market demands for transfer efficiency. With one of the highest efficiency USB 3.0 interfaces out there, the Marvel M60 offers a maximum read speed of 100 MB/sec, and a maximum write speed of 70MB/sec. In this multimedia age, it's the ultimate information sharing tool !

Compact Lidless Design, Cool Metallic Exterior

With its sleek lidless design and retractable USB connector, the Marvel M60 is compact and convenient to carry around. In addition, an LED indicator light displays power on and data transfer status, and the cool metallic exterior caters to the unique tastes of consumers !
